# STRATEGIC PARTNERSHIP OPPORTUNITIES

Together, we can equip young people with the tools to investigate, create, and share the stories that shape our world.

## EDUCATION PARTNER

Expand film media literacy, digital storytelling, and workforce readiness in schools and communities.

## TECHNOLOGY PARTNER

Advance AI, emerging technologies, and innovative tools that empower young storytellers and drive creative innovation.

## WORKFORCE PARTNER

Develop career pathways through mentorship, internships, skills training, and workforce development initiatives.

## COMMUNITY PARTNER

Invest in local storytelling initiatives that strengthen communities and amplify local voices.

## NATIONAL PARTNER

Help scale our model across the United States to reach more young people and more communities.

## INNOVATION PARTNER

Co-create and pilot new programs, technologies, and learning models that shape the future of youth storytelling.

## RESEARCH PARTNER

Collaborate on research and evaluation to measure impact and advance best practices in youth media.

## FOUNDING PARTNER

Be a founding leader in building the independent global youth media channel for public good.

Every partnership is an investment in young people,  
**STRONGER COMMUNITIES, AND A BRIGHTER FUTURE.**

OWN THE STORY. CHANGE THE WORLD.
