Dear Ms. Saunders:

Thank you for your interest in speaking and/or presenting to students in Broward County Public Schools. The support and involvement of the community is helpful in providing the best possible learning experiences for students. The Superintendent's Screening Committee has reviewed the request to speak/present to students regarding the **People 4 People Productions - Film Media Literacy Career Technology Programs.**

This request has been determined to be appropriate and in accordance with the curriculum in place at schools and may be provided at the discretion of the principal.

All classroom speakers/presenters are considered one-day visitors. All presenters must check in at the school's office, be escorted by and remain in the presence of school personnel at all times.

Please be advised: Speakers are permitted to present information to students about a "topic." Approved speakers are prohibited from selling, marketing or advertising a book, product or service related to the topic during instructional time (school hours). This includes the distribution of any promotional material, flyers or other marketing material. For example: an individual or company representative may be approved to make a presentation about "test preparation" but would be prohibited from promoting their company's fee-based tutoring and test preparation services. Any promotional material intended for parents or students requires prior approval by the Superintendent's Screening Committee. Please visit our Web site and download the guidelines for flyers. (http://www.getinvolvedineducation.com/screening).

This approval in no way reflects an endorsement by the School Board of Broward County, Florida. **All approved material provided to schools must contain the standard Broward County Public Schools notice.** Please visit the FAQ section of our Web site for more information about the BCPS notice.

If you have any questions, please contact the Superintendent Screening Committee at 754-321 -1970.

Sincerely,

Ernesto De La Hoz
Community Resource Specialist
